

REGISTRATION FEE :

Category	Early registration (up to 10.03.18)	Spot registration on 16.03.18
Students	Rs. 350.00	Rs. 400.00
Research Scholars	Rs. 450.00	Rs. 500.00
Faculties/ Scientists	Rs. 550.00	Rs. 600.00

MODE OF PAYMENT :

Participants are requested to register for the seminar on or before 10th March 2018 by paying a registration fee (non refundable) through demand draft/pay order in favor of "MITS SCHOOL OF BIOTECHNOLOGY" payable at Bhubaneswar. However, the participants can deposit the registration fee by online using the following details

Account Holder Name: **PRINCIPAL MITS SCHOOL OF BIOTECHNOLOGY**

Account type: **SAVING**

Account Number: **595102010008582**

IFSC Code: **UBIN0559512, Infocity Branch.**

After online deposit or transfer the depositor should intimate to the organizing secretary by submitting the photocopy of the payment slip. Only the abstracts from the registered participants will be published in the "ABSTRACT BOOK".

ACCOMMODATION :

Accommodation will be provided to the registered delegates on first come first serve basis at guest houses and in nearby hotels with tariff ranging from Rs. 600.00 to Rs. 1000.00 per day per head.

IMPORTANT DATES

Early registration dead line: 10.03.18

Abstract submission dead line: 08.03.18

Further information including abstract submission, registration and speakers can be found in the college web site, www.msb.ac.in

AWARDS

Best two oral and two poster presentations will be awarded with "Best Young scientist awards". In order to qualify for the "Best Young Scientist" Award the paper should be presented at the conference by the intending participants below 35 years age.

REGISTRATION FORM

National Seminar On Recent Trends in Microbiology and Biotechnology (RTMB-2018) 16th and 17th March, 2018

1. Name: _____
2. Designation: _____
3. Organization: _____
4. Area of Research _____
5. Gender: Male/Female: _____
6. Address of communication _____
7. Email ID _____
8. Mobile No: _____
9. Registration fee details
DD/NFT Number: _____
10. Signature with Date : _____

National Seminar On Recent Trends in Microbiology and Biotechnology (RTMB-2018) 16th and 17th March, 2018

Organized by

Department of Biotechnology

MITS SCHOOL OF BIOTECHNOLOGY

(An affiliated college of Utkal University)

Bhubaneswar, Odisha

In association with

Regn.No. 23766/114 of 2015-16

Society of Biotechnology and Bioinformatics Bhubaneswar, Odisha

Chief Patron

Mr. Bala Krushna Panda, Chairman, MITS
Mr. Sriram Panda, Chief Executive, MITS

Patron

Mr. Biswajeet Panda, Vice-Chairman, MIITS

Chairman Organizing Committee

Prof. Ramanuja Nayak, Principal (MSB)

Advisory Committee

Prof. (Dr.) S.K. Sinha, Dept. of Botany, Kalyani University
Prof. (Mrs.) S. Sahoo, Dept. Biotechnology, Utkal University
Prof. R.K.Das, Former professor, School of Life Sciences, SU
Prof. T. C. Kar, former professor, F.M.College
Prof. A.B. Das, Dept. of Botany, Utkal University
Prof. J. Dandpat, Dept. of Biotechnology, Utkal University
Prof. Luna Samant, Dept. of Zoology, Ravenshaw University
Prof. Bishnu Dash, Dept. of Bioscience & Biotechnology, F.M. Univ.
Prof. H.N.Thatoi, Dept. of Biotechnology, NOU
Dr. K.C.Mandal, Dept. of Microbiology, V.U. Midnapur
Dr. C.S. Gahan, Dept. of Microbiology, CU, Rajasthan
Dr. P.K. Das Mohapatra, Associate Prof. Dept. of Micro Biology, Raiganj University

Mentors

Prof. G.R. Rout, Professor and Head, ABT, OUAT
Dr. K.C. Samal, Associate Prof. ABT, OUAT

Convenor

Dr. Swati Mishra
Associate Professor, Dept. of Biotechnology, MSB

Co-convenor

Mr. S. Parida
Associate Professor, Dept. of Biotechnology, MSB

Organising Secretary

Dr. R.R. Mishra
Assoc. Professor & Head, Dept. of Biotechnology, MSB

Co-organizing Secretaries

Dr. Ramya R. Mishra
Assistant Professor, Dept. of Biotechnology, MSB

Treasurer

Dr. S. Sahu
Assistant Professor, Dept. of Biotechnology, MSB

Members Organising Committee

Dr. H. Bhattacharya Assistant Prof. MITS	Mrs. Manasi Das Assistant Prof. MITS
Mr. Sandeep Kumar Assistant Prof. MITS	Mr. Sanjeet Manna Teaching Assistant, MITS
Mr. P Mishra Associate Prof. MITS	Mrs. Monalisa Pradhan Teaching Assistant, MITS
Mr. M. Abdullah Assistant Prof. MITS	Mrs. Shela Rani Meher Teaching Assistant, MITS

Contact Persons

Convenor

Dr. Swati Mishra

Associate Professor,

Dept. Biotechnology, MITS

ABOUT THE SEMINAR:

Biotechnology is one of the major technologies of the twenty-first century. It's wide ranging, multi-disciplinary activities include recombinant DNA techniques, cloning and application of microbiology to the production of goods from bread to antibiotics and recombinant products. The majority of current biotechnological applications are of microbial origin, and it is widely appreciated that the microbial world contains by far the greatest fraction of biodiversity in the biosphere. Because of their biotechnological impact, numerous efforts are being undertaken worldwide, with an ultimate aim to deliver new usable substances of microbial origin to the market place. There has been great advancement of biotechnological researches in the recent past which need to be highlighted for the benefit of scientific community.

With the above background, the **DEPARTMENT OF BIOTECHNOLOGY, MITS SCHOOL OF BIOTECHNOLOGY, Bhubaneswar** in association with **SOCIETY OF BIOTECHNOLOGY AND BIOINFORMATICS, Bhubaneswar, Odisha, India** is going to organize a two days National Seminar on "*Recent Trends in Microbiology and Biotechnology (RTMB-2018)*" from **16th to 17th March, 2018** to encourage the active participation of young research scholars, scientists, students and academicians to showcase their progress in recent areas of microbial and biotechnological research.

ABOUT MSB:

MITS School of Biotechnology has carved a niche for itself among the best Biotech-schools in eastern India, have been ranked consistently among the top colleges. The institute was established in the year 2003 with due reorganization from **Department of Higher Education, Govt. of Odisha** and affiliated to **Utkal University**, Bhubaneswar. MSB was the first professional college in the Bhubaneswar to offer **M.Sc in Biotechnology, M.Sc in Applied Microbiology, B.Sc in Biotechnology & BCA** combining an internationally recognized Masters course with essential professional qualifications in the fields of Biotechnology, Bioinformatics & Information Technology. The College is located at the serene and suburbs of Bhubaneswar, the capital of Odisha and adjacent to the IT Park of the city. The college is situated in the heart of the city and is very closer to Nandankanan, Zoological Park. It is 12 Kms from Bhubaneswar Railway Station and 15 Kms from Biju Patnaik International Airport.

ABOUT THE DEPARTMENT:

The Department of Biotechnology was established in the year 2003, with B.Sc. and M.Sc. Biotechnology programs with the objective of integrating life sciences to develop cutting-edge applications through research, training and technical innovation. The department provides a strong foundation in Biotechnology and microbiology which can lead students to both industry as well as research. The department of Biotechnology, since its inception in 2003 continues to maintain its excellence in education, research and industry. Presently the department has 360 undergraduate and 192 postgraduate students pursuing their higher degree in the field of microbiology and biotechnology.

AIMS AND OBJECTIVES:

The objective of the conference is to share the knowledge about the recent tools and techniques used in various areas of microbiology and biotechnology research towards human benefit and for a better livelihood. The national seminar aims to bring together leading academicians, scientists, researchers, research scholars, graduate and under graduate students to exchange and share their experiences about the recent development in microbial and Biotechnological research.

TARGET AUDIENCE:

The audiences/participants include students, Ph.D. scholars, researchers, scientists, academicians and faculties from the colleges, universities and research laboratories throughout India.

SUBMISSION OF ABSTRACTS:

The abstract should be typed in English using MS word single space (Font-Times New Roman, Font size 12) and should not exceed 250 words. The title of the paper, name (s) of author (s) followed by their address and email should be mentioned in the abstracts. The name of the author presenting the paper should be **underlined**. The hard copy and soft copy of the abstract should be sent to the Organizing Secretary on or before **5th March 2018**.

MAJOR THRUST AREAS:

Theme 1: Environmental Microbiology and Biotechnology

Theme 2: Pharmaceutical and Medical microbiology and Biotechnology

Theme 3: Industrial Microbiology and Biotechnology

Theme 4: Proteomics, genomics and Bioinformatics

Theme 5: Food, Agricultural microbiology and Biotechnology

Theme 6: Plant and Animal Biotechnology
